

Introduction to ClassMate Teacher Web Online Course!

The purpose of this course is to allow teachers to take the online course lessons at their leisure to learn how to do all the basic functions within ClassMate Teacher Web. There are two tests, one at the end of the Attendance lessons and then another at the end of the Grading lessons. This course is accessible to all teachers and should be used as a learning tool while getting acquainted with ClassMate Web!

There is no account necessary, simply click the link below to enter the course.
