

NOTICE OF SECOND MEDICAL OPINION COVERAGE

Dear Health Plan Participant:

Your plan provides coverage for a second medical opinion by an appropriate specialist, including, but not limited to, a specialist affiliated with a specialty care center for the treatment of cancer in the event of a positive or negative diagnosis of cancer. The second opinion is available at no cost beyond what you would have paid for comparable services under your policy.

Such coverage may be subject to annual deductible and co-insurance. Please consult with CASEBP at 1-800-962-6294 or 607-588-8917 for more specific information.
