Adult Education- Kevin Stevens

ADULT EDUCATION PRESENTATION- KEVIN STEVENS

Mr. Stevens introduced himself to the Board. Mr. Stevens serves as both the Assistant Principal at OAOC and the Coordinator of Adult Education. He explained that he has observed similarities between his alternative education students and students attending ONC BOCES programs as adults. He's using this knowledge to be proactive. He reviewed ONC BOCES' adult education offerings, which include the 5 hour driving class, CDL-B instruction, CHEST, CPR and AED certification, home health aid/CNA programs, high school equivalency instruction, adult CTE and the Practical Nursing Program. He briefly discussed future initiatives, including continuing education in welding. Mr. Stevens also described ONC BOCES' Alternative Education program. He explained that this program is for students in grades 9-12 for whom traditional high school is not working. There is an extensive intake process, which consists of questionnaires and interviews. The program features flexible scheduling to allow students who have fallen behind to catch up. ONC BOCES is embracing online learning to aid students working to catch up on required coursework and to increase elective offerings. Professional development initiatives for alternative education and social/emotional learning are in the works.

Director Report

ANNE PALLISCHECK, DIRECTOR, INSTRUCTIONAL SUPPORT SERVICES: INTERIM ITINERANT SUPERVISOR

Ms. Pallischeck discussed the upcoming conference day at Hunt Union, SUNY Oneonta. Much of the conference will focus on social/emotional learning and restorative practices. It will be available to teachers and preservice teachers. She mentioned other professional development sessions being offered in the area that day. She reviewed agenda items and announced that she will be attending a 5lab conference.

District Superintendent Report

DISTRICT SUPERINTENDENT REPORT

50th Anniversary: Mr. Savin thanked those who helped plan the 50th Anniversary Celebration at NCOC. He noted that it was a successful event. Legislators, Jhone Ebert of NYSED, teachers, parents and students were among the attendees. Ms. Hull played a slideshow for the group, which contained pictures taken at the event. Ms. Hull expressed gratitude to all who served with her on the planning committee.

Licenced Teaching Assistants: Mr. Savin shared that at the start of the school year, ONC BOCES had ten LTAs. At the September meeting seven substitutes were hired and another seven will be hired at this meeting. The substitutes are helping fill LTA shortages.

Systems of Care Grant: Mr. Savin announced that the systems of care grant program will be centered at OAOC. He has been discussing hiring needs with Sue Matt, Otsego County Director of Community Services. Hiring for the project coordinator is underway. The hope is to begin the program in January. Given pre-commitments received by districts, he anticipates needing to hire four social workers. He acknowledged that it may take time to recruit social workers and projects that the program will be phased in slowly.

Transportation Collaboration: Mr. Savin updated the Board on the transportation collaboration progress. It is a joint venture between municipalities in Otsego County. A shared transportation facility will be located on OAOC property. The facility will include a classroom for OAOC Autotech student to provide onsite, internship like experiences for students. Area schools have been invited to participate, but there has been no interest thus far. Mr. Savin and representatives from the county will be visiting Madison-Oneida BOCES to tour their shared transportation facility. He mentioned that board member representation at transportation planning meetings may have value and welcomed board members to attend.

Ms. Heegan departed at 2:20 p.m.

Public Comment Policy: The Board discussed amending ONC BOCES' policy regarding public comments at board meetings. The board saw value in implementing guidelines and procedure. The board decided that the policy should mandate that individuals wishing to speak at a board meeting provide 3 business days notice and that public comment be limited to three minutes. Alyssa Oliveri, Board Clerk, will draft a policy to be reviewed at the November board meeting.

Deputy Superintendent Report-Lynn Chase

DEPUTY SUPERINTENDENT REPORT- Presented by Lynn Chase, Director of Management Services

Audit Committee Recommendation: Ms. Chase noted that the CASEBP audit report and the 2017-2018 Extra Class Account Activity Audit Corrective Action Plan are on the agenda for board approval.

Assistant Superintendent Report, Joe Booan, Student Programs

ASSISTANT SUPERINTENDENT REPORT, JOE BOOAN, STUDENT PROGRAMS

Mr. Booan thanked Ms. Hull for her hard work planning the NCOC 50th Anniversary Celebration. He reviewed items on the agenda for approval, thanking Mr. Bordinger and Mr. Anderson for their help determining items to surplus. Mr. Booan shared that ONC BOCES is exploring grants to fund a School Resource Officer for NCOC; an NCOC SRO may not be full time.

Mr. Booan informed the Board that SUNY Delhi has committed to holding instruction at OAOC beginning in January in our mechatronics lab. They will be sending 24 students. At the moment, a small robotics lab is ready to use.

Mr. Booan shared that he anticipates special education growth at NCOC. The recent relocation of the Central Business Office has opened up enough space to house two classrooms and three offices.

SEXUAL HARASSMENT

The Otsego Northern Catskills Board of Cooperative Educational Services ("BOCES") recognizes that harassment of students, employees (including all staff, applicants for employment, both paid and unpaid interns, exempt and non-exempt status, part-time, seasonal, and temporary workers, regardless of immigration status) and certain "non-employees" (which includes contractors, subcontractors, vendors, consultant and other persons providing services pursuant to a contact, or their employees) on the basis of sex, gender and/or sexual orientation is abusive and illegal behavior that harms targets and negatively impacts the school culture by creating an environment of fear, distrust, intimidation and intolerance. The Board further recognizes that preventing and remedying such harassment in schools is essential to ensure a healthy, nondiscriminatory environment in which students can learn and employees and "non-employees" can work productively.

Sexual harassment is a form of sex discrimination and is unlawful under federal, state, and (where applicable) local law. Sexual harassment includes harassment on the basis of actual or perceived or self-identified sex, sexual orientation, gender identity, gender expression, and transgender status. Sex based harassment can be comprised of two types of behavior: sexual harassment and/or gender based harassment. Sexual harassment is unwelcome conduct of a sexual nature, which can include unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature (see regulation 0110-R-for examples). Gender based harassment includes verbal, nonverbal or physical aggression, intimidation or hostility that is based on actual or perceived gender and sexual stereotypes (see regulation 0110-R for examples). Sexual or gender based harassment of a student can deny or limit the student's ability to participate in or to receive benefits, services, or opportunities from the school's program.

Sexual harassment includes unwelcome conduct which is either of a sexual nature, or which is directed at an individual because of that individual's sex, when:

- a. submission to that conduct is made either explicitly or implicitly a term or condition of an individual's employment or a student's education;
- b. submission to or rejection of such conduct is used as the basis for decisions affecting an individual's employment or a student's education; or
- c. the conduct has the purpose or effect of unreasonably interfering with an employee's or "non-employee's" work or student's school performance or creating an intimidating, hostile or offensive work or educational environment, even if the complaining individual is not the intended target of the sexual harassment;

Sexual harassment can include unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature, or verbal, nonverbal or physical aggression, intimidation or hostility that is based on actual or perceived gender and

sexual stereotypes. Examples of sexual harassment can be found in the accompanying regulation (0110-R).

The Board is committed to providing an educational and working environment that promotes respect, dignity and equality and that is free from all forms of sexual harassment. The Board condemns and strictly prohibits all forms of sexual harassment at BOCES facilities, on school buses, at all BOCES-sponsored activities, programs and events regardless of the location or outside the school setting if the harassment impacts the individual's education or employment in a way that violates their legal rights, including when employees and "non-employees" travel on district business, or when harassment is done by electronic means (including on social media). For employees, sexual harassment is considered a form of employee misconduct. Sanctions will be enforced against all those who engage in sexual harassment, and against supervisory and managerial personnel who knowingly allow such behavior to continue or engage in retaliation.

Sexual harassment may subject the district to liability for harm done to targets. Harassers may also be individually subject to civil liability if sued in a court of law or criminal liability if prosecuted.

While this policy is specific to sexual harassment, other forms of harassment based upon race, creed, national origin, religion or sexual orientation are also prohibited. Complaints of all types of harassment will be handled in the same manner as specified in this policy and regulation.

Under various state and federal laws, students, employees and "non-employees" have legal protections against sexual harassment in the school environment as described above. Those laws are listed in the references section. Additionally, local laws (e.g., county, city, town, village) may apply to the BOCES. The BOCES' Code of Conduct also addresses appropriate behavior in the school environment. Sexual harassment can occur between persons of all ages and genders.

In order for the Board to effectively enforce this policy and to take prompt corrective measures, it is essential that all targets of sexual harassment and persons with knowledge of sexual harassment report the harassment immediately. The BOCES will promptly investigate all complaints of sexual harassment, either formal or informal, verbal or written. To the extent possible, all complaints will be treated in a confidential manner. Limited disclosure may be necessary to complete a thorough investigation.

If, after appropriate investigation, the BOCES finds that a student, an employee, "non-employee" or a third party has violated this policy, prompt corrective action will be taken in accordance with the applicable collective bargaining agreement, contract, district policy and state law. Individual nondisclosure agreements may only be used as permitted by law, described in the accompanying regulation. Mandatory arbitration clauses are prohibited in all district contracts and agreements.

All complainants and those who participate in sexual harassment complaints or the investigation of a complaint of sexual harassment have the right to be free from retaliation of any kind, when they do so with a good faith belief that sexual harassment has occurred. Such

prohibited retaliation can include, but is not limited to, discipline, discrimination, demotion, denial of privileges, or any action that would keep a person from coming forward to make or support a sexual harassment claim. Such actions need not be job- or education-related, or occur in the workplace or educational environment, to constitute unlawful retaliation.

The District Superintendent is directed to develop and implement regulations for reporting, investigating and remedying allegations of sexual harassment. These regulations are to be attached to this policy. In addition, training programs shall be established for students and annually for employees to raise awareness of the issues surrounding sexual harassment and to implement preventative measures to help reduce incidents of sexual harassment.

This policy shall be posted in a prominent place in each district facility and shall also be published in student registration materials, student, parent and employee handbooks, and other appropriate BOCES publications.

SEXUAL HARASSMENT REGULATION

This regulation is intended to create and preserve an educational and working environment free from unlawful sexual harassment on the basis of sex, gender and/or sexual orientation in furtherance of Otsego Northern Catskills Board of Cooperative Educational Services ("BOCES")'s commitment to provide a healthy and productive environment for all students, employees (including all staff, applicants for employment, both paid and unpaid interns, exempt and non-exempt status, part-time, seasonal, and temporary workers, regardless of immigration status) and "non-employees" (i.e., contractors, subcontractors, vendors, consultant and other persons providing services pursuant to a contract, or their employees) that promotes respect, dignity and equality.

Sexual Harassment Defined

Sexual harassment is a form of sex discrimination and is unlawful under federal, state, and (where applicable) local law. Sexual harassment includes harassment on the basis of actual or perceived or self-identified sex, sexual orientation, gender identity, gender expression, and transgender status.

"Sexual harassment" means includes unwelcome sexual advances, requests for sexual favors, sexually motivated physical conduct or other verbal or physical conduct or communication of a sexual nature conduct which is either of a sexual nature, or which is directed at an individual because of that individual's sex, gender, or sexual orientation, when:

- 1. submission to that conduct or communication is made a term or condition, either explicitly or implicitly, of an employee's or "non-employee's" employment or a student's education (including any aspect of the student's participation in BOCES-sponsored activities, or any other aspect of the student's education); or
- 2. submission to or rejection of that conduct or communication by an individual is used as a factor the basis in decisions affecting an employee's or "non-employee's" employment or a student's education: or
- 3. the conduct or communication has the purpose or effect of substantially or unreasonably interfering with an employee's or "non-employee's" work performance or a student's academic performance or participation in BOCES-sponsored activities, or creating an intimidating, hostile or offensive working or educational environment, even if the complaining individual is not the intended target of the sexual harassment.

Unacceptable Conduct

Conduct that the Board considers unacceptable and which may constitute sexual harassment includes, but is not limited to, the following:

- 1. rape, attempted rape, sexual assault, attempted sexual assault, forcible sexual abuse, hazing, and other sexual and gender-based activity of a criminal nature as defined under the State Penal Law:
- 2. unwelcome sexual advances or invitations or requests for sexual activity, including but not limited to those in exchange for grades, promotions, preferences, favors, selection for extracurricular activities or job assignments, homework, etc., or when accompanied by implied or overt threats concerning the target's work or school evaluations, other benefits or detriments;
- 3. unwelcome and or offensive public sexual display of affection, including kissing, hugging, making out, groping, fondling, petting, inappropriate touching of one's self or others (e.g., pinching, patting, grabbing, poking), sexually suggestive dancing, and massages;
- 4. any unwelcome communication that is sexually suggestive, sexually degrading or derogatory or implies sexual motives or intentions, such as sexual remarks or innuendoes about an individual's clothing, appearance or activities; sexual jokes; sexual gestures; public conversations about sexual activities or exploits; sexual rumors and "ratings lists;" howling, catcalls, and whistles; sexually graphic computer files, messages or games, etc;
- 5. unwelcome and offensive name calling or profanity that is sexually suggestive or explicit, sexually degrading or derogatory, implies sexual intentions, or that is based on sexual stereotypes or sexual preference;
- 6. unwelcome physical contact or closeness that is sexually suggestive, sexually degrading or derogatory, or sexually intimidating such as the unwelcome touching of another's body parts, cornering or blocking an individual, standing too close, spanking, pinching, following, stalking, frontal body hugs, etc.;
- 7. unwelcome and sexually offensive physical pranks or touching of an individual's clothing, such as hazing and initiation, "streaking," "mooning," "snuggies" or "wedgies" (pulling underwear up at the waist so it goes in between the buttocks), bra-snapping, skirt "flip-ups," "spiking" (pulling down someone's pants or swimming suit); pinching; placing hands inside an individual's pants, shirt, blouse, or dress, etc.;
- 8. unwelcome leers, stares, gestures, or slang that are sexually suggestive; sexually degrading or derogatory or imply sexual motives or intentions;

- 10. unwelcome and offensive skits, assemblies, and productions that are sexually suggestive, sexually degrading *or derogatory*, or that imply sexual motives or intentions, or that are based on sexual stereotypes;
- 11. unwelcome written or pictorial display or distribution (including via electronic devices) of pornographic or other sexually explicit materials such as signs, graffiti, calendars, objects, magazines, videos, films, Internet material, etc.

- c. taunting or teasing an individual because they are participating in an activity not typically associated with the individual's sex or gender

For purposes of this regulation, action or conduct shall be considered "unwelcome" if the student, of employee or "non-employee" did not request or invite it and regarded the conduct as undesirable or offensive. In addition, in the remainder of this regulation, the term sexual harassment will refer to both sexual and gender-based harassment.

Sexual harassment may occur on school grounds, school buses and at all school-sponsored activities, programs and events, including those that take place at locations outside the BOCES, or outside the school setting if the harassment impacts the individual's education or employment in a way that violates their legal rights, including when employees or "non-employees" travel on BOCES business, or when the harassment is done by electronic means (including on social media).

Determining if Prohibited Conduct is Sexual Harassment

Complaints of sexual harassment will be thoroughly investigated to determine whether the totality of the behavior and circumstances meet any of the elements of the above definition of sexual harassment and should therefore be treated as sexual harassment. Not all unacceptable conduct with sexual connotations may constitute sexual harassment. In many cases (other than quid pro quo situations where the alleged harasser offers academic or employment rewards or threatens punishment as an inducement for sexual favors), unacceptable behavior must be sufficiently severe, pervasive and objectively offensive to be considered sexual harassment.

In evaluating the totality of the circumstances and making a determination of whether conduct constitutes sexual harassment, the individual investigating the complaint should consider:

- 1. the degree to which the conduct affected the ability of the student to participate in or benefit from his or her education or altered the conditions of the student's learning environment or altered the conditions of the employee's or "non-employee's" working environment:
- 2. the type, frequency and duration of the conduct;
- 3. the identity of and relationship between the alleged harasser and the subject of the harassment (e.g., sexually based conduct by an authority figure is more likely to create a hostile environment than similar conduct by another student or a co-worker);
- 4. the number of individuals involved:
- 5. the age and sex of the alleged harasser and the subject of the harassment;

- 6. the location of the incidents and context in which they occurred;
- 7. other incidents at the BOCES; and
- 8. incidents of gender-based, but non-sexual harassment.

Reporting Complaints

Any person who believes he or she has been the target of sexual harassment by a student, BOCES employee, "non-employee's" or third party related to the BOCES is required encouraged to report complaints as soon as possible after the incident in order to enable the BOCES to promptly and effectively investigate and resolve the complaint. Any person who witnesses or is aware of sexual harassment of a student, employee, or "non-employee" is also encouraged to report the incident or behavior to the BOCES. Targets Targets are encouraged to submit the complaint in writing; however, complaints may be filed verbally.

Complaints should be filed with the Deputy Superintendent and in cases involving students, the Building Principal(s) or Program Director(s), as the Compliance Officers to receive reports or complaints of harassment. Only if the complaint involves any of the Compliance Officers shall the complaint be filled directly with the District Superintendent.

Any BOCES employee who receives a complaint of sexual harassment from a student shall inform the student of the employee's obligation to report the complaint to the BOCES administration, and then shall immediately notify the Building Principal(s) or Program Director(s). School employees receiving complaints of sexual harassment from employees and "non-employees" shall either direct the complainant to the Building Principal, or may report the incident themselves. Supervisory and managerial personnel are required to report complaints of sexual harassment received by staff, and will be subject to discipline for failing to report suspected or reported sexual harassment, knowingly allowing sexual harassment to continue, or engaging in any retaliation.

In order to assist investigators, targets should document the harassment as soon as it occurs and with as much detail as possible including: the nature of the harassment; dates, times, places it has occurred; name of harasser(s); witnesses to the harassment; and the target's response to the harassment.

Confidentiality

It is the policy of the BOCES to respect the privacy of all parties and witnesses to complaints of sexual harassment. To the extent possible, the BOCES will not release the details of a complaint or the identity of the complainant or the individual(s) against whom the complaint is filed to any third parties who do not need to know such information. However, because an individual's need for confidentiality must be balanced with the BOCES 's legal obligation to provide due process to the accused, to conduct a thorough investigation, or to take necessary action to resolve the complaint, the BOCES retains the right to disclose the identity of parties and witnesses to complaints in appropriate circumstances to individuals with a need to know. The staff member responsible for investigating complaints will discuss confidentiality standards and concerns with all complainants.

If a complainant requests that his/her name not be revealed to the individual(s) against whom a complaint is filed, the staff member responsible for conducting the investigation shall inform the complainant that:

- 1, the request may limit the BOCES's ability to respond to his/her complaint;
- 2. BOCES policy and federal law prohibit retaliation against complainants and witnesses;
- 3. the BOCES will attempt to prevent any retaliation; and
- 4. the BOCES will take strong responsive action if retaliation occurs.

If the complainant still requests confidentiality after being given the notice above, the investigator will take all reasonable steps to investigate and respond to the complaint consistent with the request as long as doing so does not preclude the BOCES from responding effectively to the harassment and preventing the harassment of other students, employees or "non-employee's".

Investigation and Resolution Procedure

A. Initial (Building-level) Procedure

The Building Principal(s) or Program Director(s) or designee shall conduct a preliminary review when they receive a verbal or written complaint of sexual harassment, or if they observe sexual harassment. Except in the case of severe or criminal conduct, the Building Principal(s) or Program Director(s) or designee should make all reasonable efforts to resolve complaints informally at the school level. The goal of informal investigation and resolution procedures is to end the harassment and obtain a prompt and equitable resolution to a complaint. All persons involved in an investigation (complainants, witnesses and alleged harassers) will be accorded due process to protect their rights to a fair and impartial investigation. This investigation shall be prompt and thorough, and shall be completed as soon as possible.

As soon as possible *Immediately*, but no later than three working days following receipt of a complaint, the Building Principal(s) or Program Director(s) or designee should shall begin an investigation of the complaint according to the following steps:

- 1. Interview the target and document the conversation. Instruct the target to have no contact or communication regarding the complaint with the alleged harasser. Ask the target specifically what action he/she wants taken in order to resolve the complaint. Refer the target, as appropriate, to BOCES social workers, psychologists, crisis team managers, other BOCES staff, or appropriate outside agencies for counseling services.
- 2. Review any written documentation of the harassment prepared by the target. If the target has not prepared written documentation, instruct ask the target to do so, providing alternative formats for individuals with disabilities and young children, who have difficulty writing and need accommodation. If the complainant refuses to complete a complaint form or written documentation, the Building Principal(s) or Program Director(s) shall complete a complaint form (see exhibit 0110-E) based on the verbal report.

- 3. Request, review, obtain and preserve relevant evidence of harassment (e.g., documents, emails, phone records, etc.), if any exist.
- 4. Interview the alleged harasser regarding the complaint and inform the alleged harasser that if the objectionable conduct has occurred, it must cease immediately. Document the conversation. Provide the alleged harasser an opportunity to respond to the charges in writing.
- 5. Instruct the alleged harasser to have no contact or communication regarding the complaint with the target and to not retaliate against the target. Warn the alleged harasser that if he/she makes contact with or retaliates against the target, he/she will be subject to immediate disciplinary action.
- 6. Interview any witnesses to the complaint. Where appropriate, obtain a written statement from each witness. Caution each witness to keep the complaint and his/her statement confidential. Employees may be required to cooperate as needed in investigations of suspected sexual harassment.
- 7. Review all documentation and information relevant to the complaint.
- 8. Where appropriate, suggest mediation as a potential means of resolving the complaint. In addition to mediation, use appropriate informal methods to resolve the complaint, including but not limited to:
 - a. discussion with the accused, informing him or her of the BOCES policies and indicating that the behavior must stop;
 - b. suggesting counseling and/or sensitivity training;
 - c. conducting training for the department or school in which the behavior occurred, calling attention to the consequences of engaging in such behavior;
 - d. requesting a letter of apology to the complainant;
 - e. writing letters of caution or reprimand; and/or
 - f. separating the parties.

9. Parent/Student/Employee/"Non-Employee" Involvement and Notification

- a. Parents of student targets and accused students shall be notified within one school day of allegations that are serious or involve repeated conduct.
- b. The parents of students who file complaints are welcome to participate at each stage of both informal and formal investigation and resolution procedures.
- c. If either the target or the accused is a disabled student receiving special education services under an IEP or section 504/Americans with Disabilities Act accommodations, the committee on special education will be consulted to determine the degree to which the student's disability either caused or is affected by the discrimination or policy violation. In addition, due process procedures required for persons with disabilities under state and federal law shall be followed.
- d. The Building Principal(s) or Program Director(s) (i.e., the investigator) shall submit a copy of all investigation and interview documentation to the District Superintendent.
- e. The investigator shall report back to both the target and the accused, notifying them in writing, and also in person as appropriate regarding the outcome of the

- investigation and the action taken to resolve the complaint. The investigator shall instruct the target to report immediately if the objectionable behavior occurs again or if the alleged harasser retaliates against him/her.
- f. The investigator shall notify the target that if he/she desires further investigation and action, he/she may request a BOCES level investigation by contacting the District Superintendent. The investigator shall also notify the target of his/her right to contact the U.S. Department of Education's Office for Civil Rights and/or a private attorney. Employees may also contact the U.S. Equal Employment Opportunity Commission or the New York State Division of Human Rights.
- 10. Create a written documentation of the investigation, kept in a secure and confidential location, containing:
 - a. A list of all documentation and other evidence reviewed, along with a detailed

summary,

- b. A list of names of those interviewed along with a detailed summary of their statements:
- c. A timeline of events;
- d. A summary of prior relevant incidents, reported or unreported; and
- e. The final resolution of the complaint, together with any corrective action(s).

If the initial investigation results in a determination that sexual harassment did occur, the investigator will promptly notify the District Superintendent, who shall then take prompt disciplinary action in accordance with BOCES policy, the applicable collective bargaining agreement or state law.

If a complaint received by the Compliance Officer or designee contains evidence or allegations of serious or extreme harassment, such as employee to student harassment, criminal touching, quid pro quo (e.g., offering an academic or employment reward or punishment as an inducement for sexual favors), or acts which shock the conscience of a reasonable person, the complaint shall be referred promptly to the District Superintendent. In addition, where the Compliance Officer or designee has a reasonable suspicion that the alleged harassment involves criminal activity, he/she should immediately notify the Superintendent, who shall then contact appropriate child protection and law enforcement authorities. Where criminal activity is alleged or suspected by a BOCES employee, the accused employee shall be suspended pending the outcome of the investigation, consistent with all contractual or statutory requirements.

Any party who is not satisfied with the outcome of the initial investigation by the Compliance Officer or designee may request a BOCES-level investigation by submitting a written complaint to the District Superintendent within 30 days.

B. BOCES-level Procedure

The District Superintendent shall promptly investigate and resolve all sexual harassment complaints that are referred to him/her by a Compliance Officer or designee, as well as those appealed to the Superintendent following an initial investigation by a Compliance Officer or designee. In the event the complaint of sexual harassment involves the District Superintendent,

the complaint shall be filed with or referred to the BOCES Board President, who shall refer the complaint to a trained investigator not employed by the BOCES for investigation.

The BOCES level investigation should begin as soon as possible but not later than three working days following receipt of the complaint by the District Superintendent or Board President.

In conducting the formal BOCES level investigation, the BOCES will use investigators who have received formal training in sexual harassment investigation or that have previous experience investigating sexual harassment complaints.

If a BOCES investigation results in a determination that sexual harassment did occur, prompt corrective action will be taken to end the harassment. Where appropriate, BOCES investigators may suggest mediation as a means of exploring options of corrective action and informally resolving the complaint.

No later than 30 days following receipt of the complaint, the District Superintendent (or in cases involving the District Superintendent, the Board-appointed investigator) will notify the target and alleged harasser, in writing, of the outcome of the investigation. If additional time is needed to complete the investigation or take appropriate action, the District Superintendent or Board-appointed investigator will provide all parties with a written status report within 30 days following receipt of the complaint.

The target and the alleged harasser have the right to be represented by a person of their choice, at their own expense, during sexual harassment investigations and hearings.—In addition, targets—have the right to register sexual harassment complaints with the U.S. Department of Education's Office for Civil Rights.—
