CASSC Upstate Academic Competition

2023-2024

About the program...

The 2022-2023 marked the sixteenth year of competition for the Upstate Academic Competition, and the event has become increasingly popular each year. As a subset of the Enrichment Program, it offers teams of high school students the opportunity to participate in an academic competition in a game-show format, complete with sets, buzzers and electronic displays of points earned. The host of the events this year was Brooks Sanders.

The first tournament was held on January 10, 2023. Eighteen teams from thirteen school districts competed during the all-day tournament. Cooperstown took home the winner's team trophy with Delaware Academy as the runner-up. The second tournament was held on May 18, 2023. Fourteen teams from nine school districts competed. Cooperstown took home the winner's trophy and Seton Catholic as the runner up. Members of the finalist teams received individual medals.

We invite new teams to join this exciting program where academic all-stars have the opportunity to shine!

If you would like to join or have further questions about the Upstate Academic Competition, please contact:
